Dear Eduard,

We arrived safely back in Los Angeles, CA and I wanted to take this time to say "Thank you very, very much for your fantastic service and for all that you have done to make our trip a lasting family memory". The luxurious Mercedes microbus was absolutely gorgeous and extremely comfortable to travel in. Everything has exceeded our expectations and we wanted you to know how happy we were with all of your services.

I also wanted to mention how absolutely wonderful Mihai, our driver, was and how special and nicely he has treated us during our trip, which made it even more memorable. We felt like he was family and we can't stop talking and thinking about him and what a great and fun time we all had together. He has gone above and beyond to keep us happy and took us to so many great locations and restaurants which we all enjoyed. He truly made our trip a memorable one and for that we will ever be grateful and will never forget him!

We definitely look forward to another trip in a few years with some of our friends who are so looking forward to visiting Romania and other parts of Europe!

With Many Thanks,

Edmond Cariolagian
